JT Dowd

Born and raised in Hampstead, NH, JT has been the Willowcreek Golf Academy's club-fitting specialist since 2013. A firm believer in working with a student's instructor to find equipment that can grow with them, JT uses state-of-the-art technology to help all golfers find clubs that improve their game, allow them to play their best, and have more fun.

TOM SMITH

Both a PGA Professional and a TPI Certified Instructor, Tom believes that a golf-related stretching, and strength and mobility routine can not only make you more efficient, but that you can change your swing by training your body the right way.

With an undeniable track record coaching at both the collegiate and local club level, Tom has a passion for swing efficiency and golf fitness, of which he believes that results speak for themselves.

BRIAN DIAMOND

A 20-year Member of the PGA of America and TPI Certified Instructor, Brian works with golfers of all skill levels to improve six key areas of their games: basic instruction/fundamentals, shot-making skills, course management, mental/emotional approach, equipment, and physical conditioning.
