

About the Tournament

On Monday, August 16th, 2010 the 3rd Annual Peter A. Lewis Golf Tournament will take place at Atkinson Resort & Country Club to benefit the Lawrence Boys & Girls Club. Peter A. Lewis was founder of Atkinson Resort & Country Club and the Lewis Group of Companies who recently passed away in May 2008. To honor his memory, we are holding a golf tournament to raise money for the organization that he held dear to his heart, The Lawrence Boys & Girls Club.

The Boys & Girls Club of Lawrence provides safe, affordable after school programs for 1,200 youth of Lawrence. Program sites are held in nine schools across Lawrence and at the boys & Girls Club's Main Site. The Boys & Girls Club strives to give members life skills, realistic expectations to develop moral character and positive decision-making skills. They do this by offering a wide range of programs in five core areas: Character & Leadership; Education & Career; Health & Life Skills; Sports, Fitness & Recreation; and The Arts.

The Boys & Girls Club of Lawrence's dedicated staff and volunteers have one common goal: to help as many children possible break the cycle of poverty by giving them access to essential educational opportunities and directing them to recreational and character development programs.

Thank you for your support!
