Christine and the Atkinson staff have done a great job keeping his legacy alive through this tournament.”

Approximately 175 golfers participated in the tournament. The tournament winners were the foursome of George Dube, Brian Dube, Tom Dube and Dustin Lockard with a score of -12 (60). The tournament also featured fourteen children and representatives from the Boys & Girls Club. The children greeted the tournament participants on the contest holes and hit some shots with the golfers. They also enjoyed the use of the club's virtual golf simulators. During the dinner portion of the event, the children helped to distribute raffle prizes donated by Atkinson Resort & Country Club and other generous contributors.

“My father taught me that it is important to keep the needs of others in mind and to help whenever possible,” explained Christine Lewis Morse, President/Owner of Atkinson Resort & Country Club. “This tournament is a great way to combine my father’s support for the Lawrence Boys & Girls Club with his love of the Resort and Country Club that he created. On behalf of my family, we thank everyone who participated in making this event a tremendous success on his behalf. We are truly overwhelmed with the generosity and support.”
